## **HAIRYAKHANDI AARTI**

### **Puja**

*White as camphor, Compassion incarnate, Essence of the Universe, wearing the king of snakes as a garland, You always reside in the lotus of my heart. To Shiva and the Mother Goddess united I bow.*

*I offer light to the exalted supreme Guru, Lord of Mercy, abode of Truth, Consciousness, and Eternal Bliss.*

*One, with a pure indestructible body, without all yet residing in all the hearts. Your image is full of compassion and beauty. I offer light to the exalted Supreme Guru, Lord of Mercy.*

*The repetition of Your name dries up the ocean of the material world. May there be pure devotion at Your exalted feet. My only desire is to be attached to Your form. I offer light to the extreme Supreme Guru, Lord of Mercy.*

*Your form is of extreme beauty and gentleness, beyond form and formless at the same time, filling the mind with bliss on seeing it. All say Hail Hail to Hairakhandi. I offer light to the extreme Supreme Guru, Lord of Mercy.*

*We take shelter and surrender before the omnipresent Lord, pure, peaceful, non-dual, remover of sins, Trinity, remover of pain, doer of goodness. I offer light to the extreme supreme Guru, Lord of Mercy.*

*Oh, Mother of the Universe,  
oh, Goddess,  
I have not worshiped Your respected lotus feet,  
nor have I offered abundant wealth to You.  
Even still You show Your most excellent love  
to this worthless being,  
For a bad child may sometimes be born,  
but a bad Mother, never.*

*Oh Mother of all Auspiciousness,  
I have abandoned the service of various Devas,  
because of the variety  
and confusion of the rules and activities  
relating to their worship.  
I am now more than eighty-five years of age.  
If You will not bestow Your kindness on me,  
where else shall I go to take refuge?*

*Mother of Excellence, Your mantra has such power  
that if even one letter should touch the ear,  
a fool becomes an eloquent speaker  
and his discourse becomes an excellent exposition.  
When hearing but one letter can produce such an effect,  
then who can speak for those souls who regularly perform  
Your worship according to the directions of the scripture,  
what excellent result will be attained by them?*

*Jagan matar matas,  
tava charanaseva na rachita.  
Na va dattam devi,

Niralambo lambodara,

*Svapako jalpako,

Niratanko ranko,  
viharati chiram kotikanakaih.  
Tavaparne karne,  
vishati manu varne phalamidam  
Janah ko janite,  
janani jananiyam japavidho.*

### Guru Mantra

*The Guru is Brahma, the Guru is Vishnu,  
the Guru is Lord Shiva,  
the Guru is verily the Absolute One.  
That is why I bow to the Holy Guru.*

*The image of the Guru is the root of meditation,  
the Guru's feet are the root of worship,  
the speech of the Guru is the root of the mantras,  
the grace of the Guru is the root of liberation.*

*Endless like the shape of the circle  
encompassing the whole dynamic and static universe,  
to the Guru who shows us that abode of God,  
I bow.*

### Shri Munindra Stav

*O Lord, sitting in a perfect pose, residing in solitude, You,  
Lord are an ocean of knowledge, full of bliss, of peaceful  
nature, pure and generous. You give us liberation. Hail Hail  
O King of Sages who removes the pain of His devotees.*

*Your form is white and beautiful, Your smiling holy face is  
like a lotus. Your broad forehead has a third eye with a very  
brilliant light. Your big eyes overflow with tears of love. Hail  
Hail O King of Sages who removes the pain of His devotees.*

*In the darkness of illusion, I don't see Your form. In times of  
calamity, I don't remember Your name, nor have I ever  
worshipped Your holy feet that remove illusion. Hail Hail O  
King of Sages who removes the pain of His devotees.*

*Mother, I don't know either Your mantra nor yantra,  
nor can I sing Your praise.*

*I don't know how to welcome You,  
nor how to meditate on Your presence.*

*Neither do I know how to sing Your glories,  
nor how to show Your mudras, nor even how to lament.  
But this I know, oh Mother,  
to follow You is to remove all my pain.*

*Oh Energy of Infinite Goodness, Mother of the Universe,  
I don't know the systems of Your worship.*

*Neither have I sufficient wealth with which to serve You.  
My nature is lazy, not knowing the correct performance of  
worship.*

*For these reasons, whatever deficiencies exist in my service  
to Your lotus feet, please pardon me, Oh Mother.*

*For a bad child may sometimes be born,  
but a bad Mother, never.*

*Oh Mother, on this Earth*

*You have so many honest and simple children.  
And among them I am Your extremely fickle child,  
I alone am the most inconsistent.*

*Oh Goddess of Goodness, yet I do hope,  
that You should not abandon me.*

*For a bad child may sometimes be born,  
but a bad Mother, never.*

*Under Mount Kailash, there is a beautiful cave.  
That great cave is described in the Vedas.  
The forest deer roaming in the dense woods spontaneously  
forget hostility among each other*

*Since the Lord started living here, the beauty of nandan van,  
the Garden of Heaven, has faded in comparison. Blessed  
blessed is this holy pilgrimage of ours  
where the embodied Shiva enjoys living.*

*Your merciful look gives us love for Your holy feet.  
By no other means can one get a pure mind.  
Now Lord, show me Your grace this way.  
Let me renounce all and sing your praise day and night.*

*Praise to Amba, Mother of the Universe.  
Mother Goddess Amba, You are the One in all forms.  
Praise to Amba, Mother of the Universe.  
Mother Goddess Amba, You are the One in all forms.*

*Utter the Name of Hairakhandi.  
Speak of God, Truth, Consciousness, and Bliss. Proclaim  
Holy Samba Sada Shiva, Shiva in union with the Mother  
Amma. Sustainer, inspirer, master of the world.*

*Om Namah Shivay Om Namah Shivay  
Om Namah Shivay Om Namah Shivay...*
